About the authors

Peter Mouncey Automobile Association Fanum House Basing View Basingstoke Hants RG21 A
Peter Mouncey started his market research career with British Gas in the early 1970's. He moved on to the Automobile Association where he is now Marketing Research Manager with responsibility covering market research, corporate direct marketing computer systems and marketing database analysis. A large proportion of the Automobile Association's needs are met by postal surveys.

Edward W Whitley Readers Digest Association Ltd
25 Berkeley Square London W1X 6AB
Edward Whitley has been a research practitioner throughout his business career. Trained in the legendary ad agency, S H Benson, he joined commercial TV for its first 12 years. He has been Research Director of the *Readers Digest* since 1968, and has wide experience in media and advertising, here and overseas. He is Chairman of the Press Communications Research Committee, twice Programme Chairman of the International Readership Symposium and a long-serving member of JICNARS.

Dr George W Wynn Department of Marketing BA-302 University of Arkansas Fayetteville Arkansas 72701 USA
